

GWYO DBP  
CHEROKEE NATION<sup>®</sup>  
**HEALTH SERVICES**

# Cherokee Nation Cancer Programs

*present*

# Super Colon

Take a tour through **The Super Colon**, an inflatable, 20-foot long, 8-foot high replica of a human colon. This interactive educational tool is teaching people across America that cancer is preventable, treatable and beatable!

As visitors walk through the **Super Colon**, they get an up-close look at:

- healthy colon tissue
- tissue with non-malignant colorectal disease likes and colitis
- colorectal polyps
- various stages of colorectal cancer

Visitors will also learn about the importance of colorectal cancer screening, prevention tips, their risk for developing colorectal cancer, symptoms and treatment options.

You can take a free tour of the *Super Colon* on:  
**FRIDAY, FEBRUARY 29th -- 7 a.m. to 6 p.m.**

**Tahlequah Armory Municipal Center**

100 North Water Avenue

*(behind the Cherokee Court House)*

*Informational booths with prizes and other give-aways available!!*
